Bethel Christian Academy

Are your teachers degreed professionals?

Yes, BCA requires Classroom Teachers to be degreed professionals. It is preferred that Assistant Teachers are degreed.

Do you test students with Standardized Testing?

Students who are new to our school typically undergo a placement exam, which is just one component in determining which courses are the best "fit" for each individual student. In addition, each student (K-12) is given the nationally standardized Iowa Test of Basic Skills as an end-of-the-year exam, which helps to measure individual student's growth.

Is it possible to graduate from Bethel Christian Academy?

Yes, Bethel Christian Academy offers several different diploma tracks that are specific to our individual students and best suited to their academic course of study and future plans. A student may choose the university graduation pathway which meets the NC university system graduation requirements OR a student may choose the technical graduation pathway which prepares the student for a two year technical/ community college. BCA also offers dual enrollment to High School Juniors and Seniors at Mayland Community College.

Is Bethel Christian Academy a member of any other organizations?

Yes, Bethel Christian Academy is a member of the North Carolina Christian School Association and the American Association of Christian Schools.

The North Carolina Christian School Association www.nccsa.org

The American Association of Christian Schools www.aacs.org

Bethel Christian Academy seeks to provide an atmosphere of learning for students, parents, and staff that promotes the teachings of our Lord and Saviour, Jesus Christ. We believe this environment is conducive for individuals to flourish and build a foundation that will support superior academics. These studies are required in order to excel in the marketplace, higher education, or contribute to the society in which we live.

The eternal value of exposing all who are involved in this school system cannot be measured, nor can the desire of Bethel Christian Academy to provide instruction based on the Word of God be measured in human terms.
